

Single lever washbasin mixer EnergySave H2_H2000545

MODEL

H2000545

Single lever washbasin mixer EnergySave, without automatic pop-up waste, G.3/8" stainless steel flexible hoses

AVAILABLE FINISHINGS

**21** 21 Chrome

CHARACTERISTICS

Cartridge Spare Parts **ZZ96800000****35 mm Cartridge****DeviaStop**

The Huber Devia Stop technology allows to adjust the water flow and to direct it to the selected output point (overhead soaker, hand shower, etc.).

**EnergySave**

Thanks to the EnergySave device, only cold water will be drawn if the lever is operated in the central position, so that the water heater will not be engaged and no hot water wasted, leading to considerable savings in energy and costs. The temperature can be adjusted by rotating the lever to the left, until the desired temperature is reached.
